February 9, 2017

On Saturday April 1st, 2017, Beech Fork State Park will host a volunteer-based clean-up event as part of the statewide program, "West Virginia: Make It Shine!"

Beech Fork State Park officially opened in 1979 and offers over 3,000 acres of recreation experiences including boating, fishing, and hiking. The park is open year-round, giving an opportunity to visitors to take in a variety of wildlife through the changing seasons. Campsites and cabin rentals also provide guests with clean and affordable lodging.

During this event, the emphasis will be based on environmental stewardship, environmental awareness, and community outreach. Volunteers will be assigned to various areas of the park designated for clean-up. We would appreciate your consideration in donating a monetary gift or other items (ex. water, volunteer items etc.) to the West Virginia State Park Foundation for the volunteer-based event. Your donation to the State Park Foundation will in turn be allocated to help support and provide resources to Beech Fork and the hard-working volunteers.

Thank you for considering our request. Should you have questions, please contact Dillard Price at (304) 528-5794.

Sincerely,

Dillard J. Price, Beech Fork Superintendent

Cadaris L. Woods, M.S. Environmental Science Candidate
