

WV-VA Pipeline Monitoring Program Training

Learn to monitor water quality along the proposed [Mountaineer Express Pipeline](#) route!

The WV-VA Water Quality Monitoring Program is a program developed by Trout Unlimited that is being implemented by Trout Unlimited and WV Rivers to train volunteers to monitor coldwater streams for impacts from shale gas and pipeline related development and other sources of nonpoint pollution.

Ohio Valley Environmental Coalition (OVEC) and WV Highlands Conservancy (WVHC) have partnered with TU and WV Rivers to organize a training for volunteers to monitor along the proposed Mountaineer Express Pipeline.

What: Water Quality Monitoring Training

Date: Sunday, October 16

Time: 1:00 pm– 6:00 pm

Location: [Coonskin Park Tennis Center](#) - Charleston, WV

Please apply to the training at the following link: <https://goo.gl/forms/f8vO0FGz7gkMyvZo2> by Monday, October 10, 2016.

If you have questions please contact WV Rivers' Program Director, Autumn Bryson, 304-992-6070 or abryson@wvrivers.org. You will be notified of acceptance to the training by October 11, 2016. Directions to the training session and an agenda will be provided the week of the training.

Trout Unlimited's (TU) WV-VA Pipeline Monitoring Program is a partnership between TU, WV Rivers, the West Virginia and Virginia Councils of TU. The program is made possible by funding from the Appalachian Stewardship Foundation and the WV Department of Environmental Protection.
