

VOTES FOR WOMEN – LET’S CELEBRATE

2020 is the 100th anniversary of the passage of the 19th amendment to the constitution, giving women the right to vote.

Many events are planned for 2020 around the nation, state and, we hope, our community. So, we are inviting you to come to a Centennial Kick Off on October 17, 5-7 p.m. at the West Huntington Library. Refreshments will be served.

The 19th amendment was finalized on August 26, 1920. One of the goals of our Kick Off is to start generating ideas for the celebration of that event and gather names of those who would like to plan the event.

We want to hear other ideas for celebrations throughout the year in order to develop a list of events and projects already planned. At the Kick Off we will share some ideas already in process.

Please send this invitation to your friends.

We hope to see you at the Kick Off.
